John

This is excellent.

Some quick feedback:

1. Surge & Contain Stats – the total # of officers each day - the activities they were involved in (remove Confederation Park encampment, put out barrel fire, etc.) and all by-law/POA/Criminal Code enforcement associated in 3 neighborhoods (Market, Lowertown and Centertown)
2. Add a “Tow/Impound” stats – total # of vehicles towed and impounded
3. Ensure the total number of demonstrators and trucks includes everything on Sir John A MacDonald, Wellington/Red Zone, Market/Lowertown, etc.

I would ask that this be daily media release/tweet – as well as being sent to the Chair/Board/Mayor
